Her very frowns are fairer far than smiles of other maidens are. She had taken Knill's Red Pills for wan people.

Hardly.

You cannot cure hams with a hammer. Or measure a drum with a drama. Do sums with a summer. Or yet shear a ram with a hammer. But you can cure your kidney ills with Knill's Blue Kidney Pills. At 25c a box.

Mary was very thin. Her face was white as snow. The preacher paid a visit. And told her where to go. And get Knill's Red Pills for Wan People. As they would make her strong and have good color again.

When the bells are ringing. Everyone will be singing. "Take Knill's Red Pills for wan people."

LOCAL POLITICS.

Henry Streeter, of Grant, was elected chairman of the board of supervisors by acclamation and without a dissenting voice. This honor has not been conferred upon any candidate for the position during the past fifteen years.

Supervisor Holden seems to be in the swim as a member of the Board of Supervisors. Chairman Streeter appointed him a member of the committee and gives him a better opportunity to look after the interests of his township.

Don't fail to hear Philip T. Colgrove at Central Hall, next Monday evening. Mr. Colgrove was one of the most pleasing speakers during the Presidential Campaign of 1896. He was invited to come again at that time. Everybody invited.

John T. Graham, of Port Huron, of the Demo-Pop-Union Party spoke to a small audience at Central Hall last Saturday night. Mr. Graham made a labored effort to convince his hearers that Free Silver and Free Trade are not dead issues and that Bryan is still a political Moses to lead the combination to victory.

The Hon. Justin H. Whiting recently submitted himself to a newspaper interview in which the reporter asked him if he supposed that he could keep Pingree's majority below 200,000. Whiting was indignant and insisted that he should win out. This settles the fact that Justin has gone politically mad. Pingree will wipe him off the slate.

Miss Wilkins' New Serial.

Miss Mary E. Wilkins' new serial is the humorous story of an up-to-date city woman who attempts to reform a quiet village and educate the people up to the latest fads of the town. It is called "The Jamesons in the Country," and its serial publication will be commenced in the next issue of The Ladies' Home Journal. It will have Mrs. Alice Barber Stephens as its illustrator.

Notice.

We, the undersigned, do hereby agree to refund the money on two 25-cent bottles of Baxter's Mandrake Bitters, if it fails to cure constipation, biliousness, sick headache, or any of the diseases for which it is recommended. Also will refund the money on a 50-cent bottle of Down's Elixir, if it does not cure any cough, cold, croup, whooping cough, or throat or lung difficulty. We also guarantee one 25-cent bottle of either of the above to prove satisfactory or money refunded. Will Lennon.

How to Prevent Croup.

We have two children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy and it always prevents the attack. It is a household necessity in this county and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than of all other cough medicines combined.—J. M. Nickle, of Nickle Bros., merchants, Nickleville, Pa. For sale by Will Lennon.

Annual Excursion to Chicago Via Grand Trunk Railway System.

The Grand Trunk Railway System will give its annual excursion to Chicago from all points on the System in Michigan, excepting that no tickets will be sold east of Pontiac and west of Ionia on the D. & M. division, or west of Stockbridge on the M. A. L. division, or west of Mt. Clemens on the Detroit division. Tickets will be sold valid on all trains of Monday, October 10th, and will be valid to return up to and including Friday, October 14th, (excepting on C. & G. T. No. 4.) Special trains will also be placed in service for this occasion. The excursion rates are very low, ranging from \$3.50 to \$5.00 for the round trip.

All information may be had of any agent of the Grand Trunk Railway System, or by applying to Ben Fletcher, Traveling Pass. Agent, Detroit.

WHO WILL FIND IT?

We doubt its truth and have the best of reasons for believing it to be a fake; but if the story is true a small sized Klondike is awaiting the lucky finder. The story goes on to say that a man recently died in the hospital at Bay City, who told the nurse just before his death, that many years ago he had been told by a gambler who was dying in a shanty in California, that he, the gambler, had in early days secreted a large sum in gold coins, on the banks of Mill Creek just above Old Brockway. The man said that since he had returned from California, he had many times secretly searched for the hidden treasure. The theory of some is that the whole story has its origin in the distorted brain of the man who made the last confession. But if it should be otherwise, and in the future some plodding farmer should tip it out with his plow, or some Brockway lad hoe up the pot when digging potatoes, why—well, there would be somebody made rich and we would take back all we have said about its being a fake story.
